

# Squirrels Homework

Dear parents/carers,

Welcome to a new school year and class structure! We are starting the year with the topic “Land Ahoy” which is all about pirates, navigation and the world.

During the course of this term I will be sending out weekly homework. This will be a piece of literacy and numeracy each week and a single larger piece of topic homework which will be due the end of term.

We are introducing homework folders which go home each week and returned once homework is complete.

Weekly homework will be set every Friday and completed by the following Wednesday.

If there are any comments or questions, please don't hesitate to get in touch.

Kind regards,

Jo Wilson
