

Welcome to a new year in Squirrels' class. Once again we are a split class of Year 2 and 3. We are lucky to be working with Mrs Blewitt in the mornings and Mrs Lovell in the afternoons. We also have Miss Hill for extra support three mornings and one afternoon. Each term we will be studying a new topic, beginning each one with a WOW day to enthuse the children. We will also have a weekly forest school session throughout the year, so you will need to provide your child with appropriate clothing and footwear for all weathers. Spellings are practiced daily within lesson time with them only being sent home if the child needs extra support. Reading is also practised daily but it would also be good for your child to read as often as possible at home, with the added incentive that they will then work towards their free book. If you have any questions or concerns please feel free to pop in and see me either before or after school, my door is always open.

Jo Wilson
