The Bythams Primary School is good because...

It's a lovely friendly school and we couldn't have chosen a better school for our children.

It is a small, friendly school. My son thoroughly enjoys attending and has made very good progress.

There is so much variety in activities and ways of teaching that benefit the children hugely.

Bythams is a very welcoming, safe school and teachers are very caring.

It has a caring and loving atmosphere and the management make you feel really valued.

It is very friendly and inclusive. The strong community spirit seems to make a huge difference.

There are good extra curricular clubs.

Lots of learning is hands on and the Forest School is great!

The Bythams Primary School would be better if...

More notice is given on events.

Sometimes the homework can be a bit difficult.

It would be good to have termly feedback on assessments.

Nothing, the school is just perfect.

Thanks for your support in providing this valuable information to make your child's education the best it can possibly be.
