	<b>The Bythams Primary School is good because...</b>					
	Inclusive and fun place to learn					
	Smaller class sizes means a more tailored education can be given.					
	Good communication, opportunities for children to participate in activities					
	If I have needed to raise an issue, I have been able to meet with staff and explain my concerns.					
	I feel that the school works for the benefit of the children and that the heart of what you do is for their benefit first and foremost.					
	Teaching staff very friendly and approachable. Great opportunities for learning					
	Strong culture of care. It cares for and nurtures all pupils. It sees every child as an individual. Child welfare is prioritised					
	School effectively embeds their values in their school culture					
	Staff are fantastic, skilled at their profession and have their pupils' wellbeing at the heart of all they do.					
	The opportunities on offer for the students is fantastic.					
	We couldn't be happy with the primary school education they have received.					
	<b>The Bythams Primary School would be better if...</b>					
	They involved families with events. This stopped with covid and never took back off.					
	Thought more about pastoral care and how their actions can affect children's mentality.					
	We had a bit more access to the teachers, especially for parents evening.					
	Children with additional needs received attention required to allow for a fair and happy environment for all					
	Perhaps more could be made of certain roles or achievements					
	Keen to see creative curriculum and experienced based learning maintained.					
	Improve information regarding children's progress/what they are working on, more frequently throughout the year.

In response to the questionnaire the following steps have been taken so far:

- Events for parents to attend with covid restrictions now eased: end of year class assemblies for all children and a sports day event with family picnic
- Workshops for parents planned for academic year 2022/23 to support understanding of, for example, our new phonics scheme and use of the White Rose Maths scheme of work
- Review of communication and how learning is shared with parents over the year
- Reviewing special roles and how meetings and activities are managed to provide a greater range of opportunities for the children for example play leaders and junior online safety officers.
