

Dear Parents and Carers,

It was fantastic to welcome all children back to school last week and we are all so proud of how everyone settled back into the daily routines and adjusted to being in school together again. Once more, the children have shown that they are tremendously resilient and we know that you will all be as proud of them as we are.

In case you missed it in Friday's newsletter, we will be raising money for Comic Relief on Friday 19th March by declaring it 'Wacky Hair Day' at the Bythams! We are asking everyone to come to school with fantastic and messy hair styles - anything goes! If you would like to pay a donation, please go to <https://www.comicrelief.com/sportrelief/pay-in-your-money/>.

We look forward to seeing everyone with weird and wonderful hair on Friday!

Kind regards,

Debbie Shepherd

Acting Headteacher
