Gen Mr. Clarke

I wanted to write to you to congratulate you, your staff and all of the pupils at The Bythams Primary School for achieving an increased performance in your Key Stage 2 results last year. Thanks to the hard work of teachers and pupils, the national average has increased to 65% this year.

Please know that as your new Member of Parliament I am here to support and help you in any way that I can so please do feel free to get in touch any time by email, letter or telephone. If you would be interested in ever visiting Westminster with a group of children we can help facilitate that, I am equally at your disposal should you ever wish for me to visit your school and see the good work you are doing in person.

Many congratulations again on your improved Key Stage 2 results.

With best wishes
