THANK YOU!

Thank you to all parents for your patience and understanding with regards to the closure of Bubble 2 and After School Club this week.

Thank you to all staff for being incredibly flexible and adapting to changes literally overnight.

The final day of term day is Wednesday 31st March and the first day back after the Easter holidays is Monday 19th April.

Hedgehogs Class

We have been investigating what everyday products that come from milk. We made butter in two different ways. We first used a jam jar half filled with cream and kept shaking it until it turned to butter. Everyone had a turn and we managed to do it! The quicker way was to put cream in a mixer and mix until the butter separates from the buttermilk. The children were so excited to watch all the changes the cream went through, and felt a sense of achievement

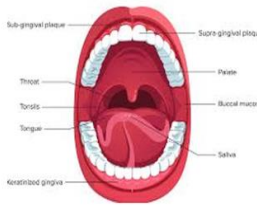

Squirrels Class

This week Hedgehogs have been sharing their family trees which they made at home. We found out Esther is related to royalty! We went further back to the 1950s and made our own timelines putting key events onto the timeline. We looked at photographs of people and what they did and artefacts they used in the 1950s.

Foxes Class

MOUTH

The mouth helps to chew the food, the saliva in your mouth helps to break down the food. Some teeth crush or chew the food and the tongue pushes the food to the back of the mouth.

In computing this week, Foxes Class have been learning about PowerPoints and how to create them. We used our scientific knowledge of the digestive system to produce individual presentations - these had to be both interesting as well as informative. Above is a slide from Harveys excellent PowerPoint presentation:

Badgers Class

The children in Badgers Class this week have been working extremely hard. They have finished their diary entry writing about the boy in the Titanium music video and have produced some powerful entries using their emotions vocabulary. On Tuesday, they showcased their musical talents by playing along to 'Rollin in the Deep' by Adele.

This week's award winners are:

Hedgehogs Class:

Reggie Robinson for wonderful handwriting in his phonics lessons.
Alara Polatli for fantastic maths reasoning when working with the Numicon.

Squirrels Class:

Harriet Davis for her increasing independence and growing confidence.
Connor Emms for his positive attitude, hard work and being super helpful.

Foxes Class:

Eve Morgan for her amazing commitment and perseverance in class.
Ernest Stafford for being positive and doing his best.

Badgers Class:

Zaiden Hill for increasing maturity and working hard in all lessons.
Leigha Sharp has made great progress since coming back to school as she is working hard and is full of enthusiasm.
