

Date 23.1.16 ☺

Name Ashleigh G

☺

It was very fun today, I really enjoyed it. I think my favourite activity was the pancake making. When we discussed about how to make them, it was nice. And eating the pancakes was also fun. The best thing of all was baking, because we were also learning about teamwork.

I understood that you had to put the ingredients in in a certain order. I also learnt that you should be careful with the grill because it was hot, so the grown ups/teachers did it.

Thank you for coming to the Bylthams School. ☺
