Dear Parent/Carer

INDIVIDUAL SCHOOL PHOTOS – 22nd September 2016

On Thursday 22nd September the school photography will be taking individual school photographs.

We do offer parents the opportunity to bring younger siblings into school for group photos, and these are taken prior to school starting at 8:30am. If this is something you would like to do, please ensure you come to school for 8:30 am on Thursday 22nd. Please make your way to the after school club building, via the front entrance.

Order packs are sent home with your child on the same day with details of how to purchase photographs.

If you have any questions regarding the above please do not hesitate to contact me.

Regards

Mrs King
